

Welding Tool List

- Students will need their tools in the first week of classes. The full tool kit is sold in the ATC Bookstore.
- Students with extra financial aid funds can purchase their welding kit in the bookstore during the financial aid charging period (the 2 week period starting the week before classes begin).
- For students who wish to buy tools elsewhere, the following welding supply stores will give a 10% discount to students with an ATC ID: *Air Gas, Oxygen Service, Minneapolis Oxygen and Toll Welding.*
